

fuel\_get\_parameter

```
graph LR; A[fuel_get_parameter] --> B[fuel_read_register]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'fuel\_get\_parameter'. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'fuel\_read\_register'.

fuel\_read\_register
